Cover Sheet for Integrated Learning Experience

EPPHP/Dual Degree Students

Student Name ____________________________________________________________ Date ________________________
ILE or course title ____________________________________________________________________________________
Academic Adviser_______________________________________________ Approved ☐ Date _______________________

Please refer to the student guidebook for detail information on requirements and competencies.

Check the Program you are in:
☐ Executive Program in PubH Practice, EPPHP
☐ Dentistry, DDS/MPH
☐ Dr of Nursing Practice, DNP/MP
☐ Law, JD/MPH
☐ Pharm D, PharmD/MPH
☐ Public Policy, MPP/MPH
☐ Urban and Regional Planning, MURP/MPH

Which 3 competencies (from the 22 foundation and 5 public health practice) are you planning to address in the ILE.

1.

2.

3.

If you are planning to complete a 3 or 4 cr ILE (at least a 25 pages with 20 references) complete this section. Refer to page 53, section Options for a 4 cr (160 hours) ILE in the student guidebook.

1. Check the type of project:
   - ☐ For Research Paper: State the key research question(s) and hypotheses
   - ☐ For Grant Proposal: List the specific request for proposal and what entity grant will be submitted to
   - ☐ For Consultative Report: Description of the agency you are consulting with and the question or need being addressed
   - ☐ For Literature Review: What is the public health question or issue reviewed?

   If your ILE does not fall under one of categories above, please describe.

2. What is the public health relevance of the 4 cr ILE?

3. Briefly list your objectives for the project.

4. Briefly describe the project’s methodology.
