HEALTH EQUITY MINOR

The Health Equity Minor promotes understanding of the root causes of health inequalities and explores practice and policy solutions to eliminate health inequalities. Understanding structural factors that lead to health inequalities prepares students to develop strategies to promote health equity. There are 7 required credits for Masters students. Doctoral students will select electives in consultation with advisor and Directors of Graduate Studies to complete the 12 credit minimum. All minor coursework must be taken A – F.

REQUIRED COURSE
PubH 6772 Health Disparities Capstone Seminar (1 cr)

REQUIRED COURSE OPTIONS
STUDENTS ALSO SELECT AT LEAST 1 OF THE COURSES BELOW:
