MENTORING AGREEMENT

This mentoring agreement outlines expectations and agreements made between a mentor and mentee pair for the 2022-2023 school year.

MENTEE

• Contact mentor in a timely manner.
• Respond to communications from mentor and mentor program in a timely manner.
• Work with your mentor to establish meaningful and realistic goals for the year.
• Take the lead in keeping the relationship active.
• Approach the program and your mentor with an open mind, respect, and integrity.
• Remember that you are representing not just yourself but SPH and the University of Minnesota.
• Communicate with your mentor openly, effectively, and consistently, including sharing your schedule and other priorities.
• Contact the Mentor Program coordinator and your mentor immediately if circumstances require that you stop participation in the mentor program.

MENTOR

• Respond to communications from your mentee or Mentor Program staff in a timely manner, including program evaluations.
• Work with your mentee to establish meaningful and realistic goals.
• Approach the program and your mentee with an open mind, respect, and integrity.
• Communicate openly, effectively, and consistently, including sharing your schedule and other priorities.
• Contact the Mentor Program coordinator and your mentee immediately if circumstances require that you stop participation in the mentor program.
